UNIVERSITY COMMENCEMENT CEREMONY

Notre Dame Stadium
Sunday, May 17, 2015

ACADEMIC ROBES MUST BE WORN BY ALL WHO PARTICIPATE IN THE ACADEMIC PROCESSION
(If rain is falling or is likely [but not severe weather] the University Commencement Ceremony will still be held at Notre Dame Stadium and a rain poncho will be provided at your assembly area.)

8:40 a.m. Faculty and Rectors should report to the Notre Dame Stadium tunnel gate (North end of the stadium). At the direction of the Office of the Registrar staff and faculty Marshals, the faculty will assemble along the walkways outside of the stadium. The faculty line will build from the tunnel gate out toward the Hesburgh Library. As additional faculty arrive, the line will continue to build out toward the Hesburgh Library. The faculty will frame the walkway so that the student procession lines will pass between the two faculty lines. The student procession will enter the stadium by college/school in two procession lines. Faculty may wish to line up along the side on which their students will pass. As you look at the Hesburgh Library, the students in Arts & Letters, Architecture, Engineering, and Law will be on the left sidewalk and the students in Science and Business will be on the right sidewalk. This is a good time for faculty and students to interact, give congratulations, and wish them well as the students are processing past you.

9:00 a.m. Graduates begin to process into the stadium.

9:25 a.m. As the end of the student lines pass by, the two faculty lines follow the students down the tunnel and into the stadium at the field level. You will be directed by the faculty Marshals to your seats on the field which, as you look at the stage, are to the left of the stage.

11:30 a.m. At the end of the ceremony the Platform Party will leave the stage and recess out of the stadium and through the tunnel. The faculty will follow the Platform Party and recess out of the stadium through the tunnel. After exiting the stadium gates, please move beyond the gates so that the 2,600 graduates coming behind you can exit the stadium without slowing. The graduates will be dismissed in place.

*SEVERE WEATHER PLAN: In the case of severe weather, the decision to declare and implement the Severe Weather Plan and to move the event indoors will be made and announced by 7:30 a.m. on Sunday. If the ceremony is moved to the Purcell Pavilion at the Joyce Center, or delayed, a message will be sent to graduates using cell phones registered with the ND Emergency Alert system. A notice will also be posted on the Commencement website and announced on the local television stations. If you would like to be included in the notification alert system please e-mail your cell phone number to Stephanie Maenhout at Maenhout.10@nd.edu by Tuesday, May 12.

If the Severe Weather Plan is implemented, there will not be an academic procession. Faculty and students will enter the Joyce Center starting at 8:45 a.m. using either Gates 8 or 10. The faculty will go directly to the faculty seating area (Section 13) in the Purcell Pavilion. There will be signs, staff, and academic marshals to guide you to your seat.

The afternoon college/school and department baccalaureate diploma ceremonies are conducted in covered areas, so they will go forward as published. If the University Commencement Ceremony is delayed because of weather (by as much as an hour) the undergraduate diploma ceremonies will still be held, but may also be delayed.
